

Year 10 2022

Dear Parent/Guardian,

Glen Waverley Secondary College is currently in the process of planning another inspiring year of quality educational opportunities for our students and as part of that process we would like to advise you of Glen Waverley Secondary Colleges' voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. We are very pleased that you have chosen Glen Waverley as the school of choice for your child's education in 2022.

The students of Glen Waverley Secondary College are privileged to attend one of Victoria's most successful Secondary Colleges. Underlying the success and quality of the wide-ranging academic and co-curricular programs available is the financial support of parents. Your financial contributions ensure that we have the materials and resources to run our programs successfully. We rely heavily on parent payments in Curriculum Contributions, Other Contributions and Extra Curricular Items and Activities to enable the College to continue to offer the breadth of quality programs that we currently do.

We make every effort to keep the cost of items and activities to a minimum and affordable for all parents. Our aim is to keep these educational costs under \$20 per week per child. For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,
