

Year 9 2025

Dear Parent/Guardian,

We are very pleased that you have chosen Glen Waverley Secondary College as your school of choice for your child's education in 2025.

The College is currently planning another inspiring year of quality educational opportunities for our students and as part of that process we seek support from parents by way of a voluntary financial contributions.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all Parent Payments are voluntary.

The students of Glen Waverley Secondary College are privileged to attend one of Victoria's most successful Secondary Colleges. Underlying the success and quality of the wide-ranging academic and co-curricular programs available is the financial support of parents. Your financial contributions ensure that we have the materials and resources to run our programs successfully. We rely heavily on parent payments in Curriculum Contributions, Other Contributions and Extra Curricular Items and Activities to enable the College to continue to offer the breadth of quality programs that we currently do.

We make every effort to keep the cost of items and activities to a minimum and affordable for all parents. Our aim is to keep these educational costs under \$20 per week per child. For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Your support in continuing to maintain and expand an exceptional education experience for your student at Glen Waverley Secondary College is much appreciated.

Yours sincerely,
