PURPOSE

Glen Waverley Secondary College is committed to ensuring that cash handling practices are consistent and transparent across the school.

Glen Waverley Secondary College will implement the measures outlined below, in accordance with Department guidelines. This policy intends to safeguard and protect the staff involved in the receipting and collection of monies and minimise the risks associated with cash handling.

SCOPE

This policy applies to all school staff or volunteers involved in handling cash on behalf of Glen Waverley Secondary College.

POLICY

Roles and responsibilities of staff

At Glen Waverley Secondary College our nominated General Office staff and Business Manager are responsible for managing cash at our school. Staff handling cash must have a National Police check before being given the responsibility.

Where possible, segregation of duties will be maintained so that no individual will be responsible for more than one of the following:

- receipting of cash and issuing receipts
- preparing the banking
- taking the monies to the bank
- completion of the bank reconciliation

If this is not possible due to lack of available staff, the Department's "Segregation of Duties – Cash Checklist" will be implemented and signed off for audit purposes.

Storage of cash

Monies are to be kept in either a controlled access safe or cash drawer during the day. If funds are kept on the premises overnight, they must be locked in our school's secured safe.

No monies are to be kept in classrooms or left at school during holiday periods.

Money collected away from the classroom or general office (e.g., offsite sporting carnival, lunchtime activity) is to be handed to the office on the day of receipt unless unforeseen circumstances make this impracticable. Money received away from the office must be double counted at the point of collection and a control receipt issued before it is provided to the office for banking.

Records and receipting

All receipts are to be processed in CASES21 as quickly as practicable upon receiving the funds.

Monies received from the classroom will be entered into CASES21 and receipts returned to the classroom to be handed out to students within 48 hours.

Where monies are received over the counter at the office they will be entered into CASES21 and an official receipt issued immediately to the payer.

A CASES21 bank deposit slip will be printed and reconciled with total receipts for the day and with the total of cash/cheques to be banked.

Funds are to be banked daily and at different times of the day.

No receipt is to be altered. Where a mistake is made approval must be sought before reversing the incorrect receipt. Copies of the incorrect receipt should be retained with details of why it was reversed.

Prior to a receipt batch being updated a receipt can be reprinted if necessary. The word REPRINT appears on the receipt. After the batch has been updated, if a copy of the receipt is requested the Family Statement, Family Matching Transactions Report or the Family Transaction History can be printed.

Cheques

No personal cheques are to be cashed.

All cheques received by mail are to be entered in a remittance book, and all cheques, which have not already been crossed "not negotiable", should be crossed as soon as they are received.

Fundraising

Two staff members will be designated as 'Responsible Persons' for all school fundraising events or other approved events where monies may be collected. The forms to be completed are the Cash Handling Authorised Forms Fund Raising Collection.

Reporting concerns

Discrepancies that cannot be accounted for must be reported to the Principal.

All cases of suspected or actual theft of money, fraud, misappropriation or corruption are to be reported to the Executive Director, Audit and Risk Division by email addressed to: fraud.control@education.vic.gov.au
