PURPOSE

The GWSC Uniform Policy reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of this policy. This Uniform Policy has been developed in consultation with School Council and a range of student bodies. School Council has developed this Uniform Policy after consultation with the school community. The policy provides choice for the students and allows them to safely engage in the many varied school activities in which they may be involved. **This policy is not gender specific, nor is it season specific.**

Interpretation of what is deemed to be acceptable under the terms of this policy is at the discretion of the Principal, or their delegated representative.

The Student Dress Code aims to:

- To promote equality amongst all students.
- To further develop a sense of pride in, and belonging with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.

SCOPE

Students are expected to comply with this Student Dress Code while traveling to and from school, during school hours and when attending school activities.

UNIFORM AND APPEARANCE

Students who already own the navy GWSC school trouser can continue to wear these. However, from 2026 onwards our new uniform policy requires all students who are purchasing new trousers, to purchase a regulation grey school trouser, our 2026 year 7 and new students will only be able to purchase/ wear the grey school trouser.

All students who already own, or purchase, below the waist items with a GWSC logo, can continue to wear these items. However, from 2026 onwards, uniform items below the waist no longer need to feature the school logo.

If your child is starting prep or year 7 and is eligible to receive support via the [Camps, Sports and Excursions Fund](#), you may be eligible to access the Affordable School Uniform program through [State Schools' Relief](#).

Please contact your child's Year Level Leader to discuss any challenges in sourcing appropriate uniform items and for information on support that we may be able to provide.

IMPLEMENTATION

If a student is out of school uniform or otherwise breaches the Student Dress Code on a recurring basis, a discussion with the Year Level Leader will occur to discuss challenges and reasons for non-compliance. If non-compliance with the student dress code becomes a continued occurrence, the year level leader will call home. In this event, the school will continue to work with the student and family to support compliance with this policy. The student may also receive a consequence such as a lunchtime detention.

Measures taken by Glen Waverley Secondary College to address concerns about student non-compliance with the Student Dress Code will also be addressed in accordance with our Student Wellbeing and Engagement Policy.

Glen Waverley Secondary College will ensure that this Student Dress Code and uniform item list is communicated to all families and students through Compass Newsfeed, our college website and student information packs upon enrolment. We will assist students who may be experiencing difficulties complying with this policy where possible.

EXEMPTIONS TO STUDENT DRESS CODE

We acknowledge that the enforcement of this Student Dress Code may impact students differently.

Students and their parents or carers may apply either in writing or in person to their child's Year Level Leader for an exemption to this Student Dress Code if:

- an aspect of the code:
 - prevents students from being able to attend school or participate in school activities on the same terms as other students because of the [personal characteristics referred to in human rights and anti-discrimination requirements](#)
 - offends a religious belief held by the student or parents/carers
 - prevents students from complying with a requirement of their religious, ethnic or cultural background
- the student has a particular disability or health condition that requires a departure from the dress code

When the college receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carer
- guarantee that issues of a personal nature revealed to substantiate the request will be strictly confidential
- request that the student and/or their parents/carers to support their application with evidence such as supporting documentation from a GP/ Physio

The principal or delegate will then try to negotiate a resolution that is acceptable to all parties, including providing advice about support with meeting uniform costs. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents/carers.
